INDEX

A

Additions to physical plant, higher institutions, income, IV: 76-78.
Administration, public-school systems, current expenditures, III: 26-27.
Administration and general expense, higher institutions, IV: 34, 38-40, 79-84.
Administrative staff: Higher institutions, number, IV: 58-63; intermediate and local basic units, II: 29-31.
Administrative units: Local, by level of instruction, II: 32; number, I: 1-5; State school systems, number, I: 16.
Administrators: Public high schools, number, V: 68-73.
Adult and summer schools for Negroes, expenditures, II: 92.
Adult education: City school systems, III: 17-18; State school systems, enrollment and expenditures, II: 40.
Agency funds, higher institutions, IV: 20.
Aggregate days attended: Elementary and secondary schools, II: 53, 89: public schools, III: 19-25, 30-73. *See also* Attendance.
All-day vocational schools, enrollment, I: 38.
Appendix, higher institutions, IV: 90.
Attendance: City school systems, III: 19-21, 24-25, 30-73; State school systems, I: 16; II: 15, 19, 90. *See also* Aggregate days attended.
Auxiliary agencies, Negro public schools, expenditures, II: 91.
Auxiliary services: City school systems, III: 11, 13, 22-23, 26-29; higher institutions, IV: 31-32, 36, 38-40, 70-75, 84-89; State school systems, II: 68-69.
Average annual salaries: Supervisors, principals, and teachers, city school systems, III: 9; teachers, I: 15.
Average daily attendance, I: 15, 18-19; city school systems, III: 4-5, 7, 19-25, 30-73; State school systems, II: 19-20, 27-28, 53-55, 83, 89-90.
Average length of school term: Negro elementary and secondary schools, II: 83; white and Negro schools, I: 28-29.
Average number of days attended: Negro elementary and secondary schools, I: 83; public schools, III: 19-23; white and Negro schools, I: 28-29; II: 90.
Average pupil-teacher load, white and Negro schools, I: 28-29.
Average salary per member of instructional staff, II: 76; Negro elementary and secondary schools, II: 83; white and Negro schools, I: 28-29.

B

Bachelor's degrees: Historical summary, IV: 40; number conferred, I: 13; IV: 18, 43, 45, 47, 52-57.
Badger, Henry G., *and others*: Statistics of Higher Education, 1945-46, IV: 1-90.
Balances, city school systems, III: 23; State school systems, II: 58.
Basic local administrative units, by number of teaching positions, II: 37.
Blind: Federal funds for books and other supplies, I: 37; schools, expenditures, I: 35.
Blose, David T., *and* Foster, Emery M.: Statistical Summary of Education, 1945-46, I: 1-40; Statistics of State School Systems, 1945-46, II: 1-96.
Boards of education; Intermediate and local basic units, II: 29-31; State and local, II: 1-2.
Bonded indebtedness: City school systems, III: 15; State school systems, II: 79-80.
Bonds and other debt retirement: City school systems, III: 16, 23, 31-73; higher institutions, IV: 37.
Boys, enrollment, public high schools, V: 66-67, 79, 80.
Buildings, sites, and new equipment: Higher institutions, IV: 84-89; public high schools, V: 20-21; State school systems, II: 74-75, 92.

C

Cafeteria workers, number, public schools, II: 38-39.
Capital outlay: City school systems, III: 11, 13, 23, 31-73; higher institutions, IV: 36-37, 84-89; State school systems, II: 13, 72-73, 76, 92.
Carpenters, painters, etc., number, public schools, II: 38-39.
Carr, Margaret J. S., *and others:* Statistics of Higher Education, 1945-46; IV: 1-90.
City school systems, statistics, III: 1-73.
City universities, colleges, and normal schools, comparative summary, III: 20-21.
Clerical assistants: City school systems, salaries and wages, III: 28-29, 31-73; State school systems, number, II: 34-35, 65-67, 84.
Colleges, universities, and professional schools: Degrees granted, number, I: 12-13; enrollment, I: 6, 8; expenditures, I: 35; number, I: 3. *See also* Higher Education; Higher institutions.
Columbia Institution for the Deaf, Federal funds, I: 37.
Commercial and business colleges, enrollment, I: 6, 8.
Community services, State school systems, current expenses, II: 68-69.
Consolidation and transportation, I: 5.
Contract service, transportation, State school systems, II: 26.
Correspondence and extension courses, higher institutions, enrollment, IV: 15-16.
Counseling and guidance personnel, public high schools, number, V: 18-19, 68-73.
County, city, and district governments, income, higher institutions, IV: 70-75.
Current expenses: City school systems, III: 11, 13-14, 26-27, 31-73; higher institutions, IV: 17, 26-27, 38-40, 48-51, 70-75, 84-89; State school systems, II: 10, 12-13, 24, 65-71, 74-76, 90, 92; statistical summary, I: 28-29, 92.
Current receipts, higher institutions, IV: 21-23. *See also* Receipts.

D

Day schools, public, current expenses, II: 74-75.
Day-unit vocational schools, enrollment, I: 38.
Days attended, number: City school systems, III: 5-6; State school systems, II: 27-28.
Deaf, schools, expenditures, I: 35.
Debt service: City school systems, III: 23; State school systems, II: 74-75, 92.
Degrees: Higher institutions, I: 13, 22; IV: 16-19, 41, 43, 45, 47, 52-57.
Delinquents, schools for, expenditures, I: 35.
Dental hygienists, number, public schools, II: 38-39.
Dentists, number, public schools, II: 38-39.
Distribution, high schools, V: 15-17, 22-27, 80.
District of Columbia, Federal funds for public schools, I: 37.
Doctor's degrees, higher institutions, IV: 18-19, 41, 43, 45, 49, 52-57; statistical summary, I: 13

E

Earned degrees, higher institutions, IV: 18-19, 43, 45, 47.
Educational and general income, higher institutions, IV: 20-31.
Eighth-grade pupils enrolled in public high schools, V: 12-13.
Elementary and secondary schools, public, enrollment, II: 41-42.
Elementary schools: City school systems, III: 3-4, 7-8; State school systems, II: 3, 27-28, 32, 34-35, 48-49, 53-55, 57, 83, 87, 92-94; statistical summary, I: 6-10, 12, 18-19, 31-32, 35.
Endowment and other nonexpendable funds, higher institutions, IV: 17, 41, 48-51.
Endowment earnings, higher institutions, IV: 29, 70-75.
Enrollment, I: 5-12; adult education classes, II: 40; Catholic elementary and secondary schools, II: 95-96; city school systems, III: 3-4, 7, 15; elementary and secondary schools for Negroes, II: 83; elementary schools, I: 9; full-time day schools, I: 6; II: 48-49; higher institutions, I: 20, 22, 24, 25, 31; IV: 4-5, 8-16, 52-57, 64-69; junior colleges, I: 25; Negro pupils, II: 14-15, 87-88; public and private schools, I: 5-7; II: 94; public day schools, I: 10; II: 43-47, 50-51, 86; public elementary and secondary schools, II: 41-42; public high schools, I: 18-19, 27; II: 18, 27-28; V: 2-7, 9, 15-17, 20-21, 28-37, 40-48, 50-65, 79; public schools, II: 17-26; III: 30-73; V: 80; State school systems, I: 16; II: 3-5, 16; summer schools, II: 40; III: 17; vocational schools or classes, I: 38; white and Negro schools, II: 90.

Equipment: Higher institutions, expenditures, IV: 84–89; State school systems, II: 72–73.
Evening vocational schools, enrollment, I: 38.
Exceptional children, enrollment in residential schools, I: 6.
Expenditures: Adult education, II: 40; III: 17–18; city school systems, III: 11–13; higher institutions, I: 23; IV: 32–40, 50–51, 79–89; Negro public schools, II: 91–92; public and private education, I: 34–37; public elementary and secondary school systems, I: 18–19; public schools, III: 26–29; State school systems, I: 17; II: 10, 12–14, 23, 27–28, 72–75; summer schools, II: 40; III: 17; for transportation, I: 5; II: 14, 26.
Expenses, city school systems, III: 22–23.
Extended school services, Federal funds, I: 37.
Extension and correspondence work, higher institutions, enrollment, I: 25.
Extension work, higher institutions, IV: 35–36, 79–84.

F

Farr, Maude, *and others:* Statistics of Higher Education, 1945–46, IV: 1–90.
Federal expenditures for education, I: 36–37.
Federal funds for education, State school systems, II: 60–61.
Federal Government: Higher institutions, receipts, IV: 21–23, 70–75; State school systems, V: 64.
Federal schools for Indians, I: 6, 26, 35.
Federally aided vocational education, I: 38–39.
Finances: Higher institutions, I: 21; IV: 41, 48–51; public elementary and secondary school systems, I: 17–19; public-school systems, II: 11–14; III: 10–14, 30–73.
Fiscal statistics, public schools, comparative summary, III: 19–21.
Fixed charges: City school systems, III: 11, 13, 22–23; Negro public schools, II: 92; public-school systems, III: 26–29; State school systems, II: 70–71.
Foster, Emery M., *and* Blose, David T.: Statistical Summary of Education, 1945–46, I: 1–40; Statistics of State School Systems, 1945–46, II: 1–96; *and* Herlihy, Lester B.: Statistics of City School Systems, 1945–46; III: 1–73.
Foundations, State school systems, II: 60–61.
Free textbooks, State school systems, current expenses, II: 65–67.
Full-time day schools: City school systems, III: 13–14; current expenses, II: 70–71, 74–75; enrollment, I: 6; II: 48–49.

G

General expenditures and income, higher institutions' IV: 41.
Gifts, I: 33–34.
Girls, public high schools, V: 66–67, 79–80.
Government funds for schools, I: 17.
Graduates: High schools, II: 5, 88; high schools and colleges, I: 12–14; higher institutions, I: 24, 30; IV: 11, 64–69; public high schools, II: 40, 83; V: 17, 20–21, 66–67, 79.

H

Health, transportation, and custodial employees, public schools, II: 38–39.
Health services, State school systems, current expenses, II: 68–69, 91.
Herlihy, Lester B., *and* Foster, Emery M.: Statistics of City School Systems, 1945–46, III: 1–73.
High schools: Enrollment, I: 9, 10, 15, 27; II: 3–6, 27–28; graduates, I: 12–14; II: 83, 88; retention rates, I: 31–32. *See also* Junior high schools; Secondary schools; Senior high schools.
Higher education, I: 20–25; statistics, IV: 1–90.
Higher institutions: Enrollment, I: 6, 8; IV: 4–5, 12–13; historical summary, IV: 41; income, IV: 17–32; retention rates, I: 31–32; teachers, number, I: 26; value of property and endowments, I: 38.
Honorary degrees, higher institutions, IV: 43, 45, 47, 49.
Howard University, Federal funds, I: 37.

I

Income, I: 32–34; higher institutions, IV: 17–32, 48–50, 76–78; State school systems, II: 59–61.
Indebtedness, State school systems, II: 14, 79–80.
Index to tables, V: 19.
Indians: Enrollment, Federal schools, I: 6; expenditures, I: 35.
Indians and natives of Alaska, Federal funds, I: 37.
Individual instruction, higher institutions, enrollment, IV: 15–16, 64–69.
Instruction: City school systems, current expenditures, III: 26–27; State school systems, II: 65–67.
Instructional staff: City school systems, III: 9, 11, 13, 28–29, 31–73; public high schools, I: 27, 79–80; V: 2–4, 7, 10, 19, 28–37, 40–46, 48–53, 80; State school systems, II: 7–9, 20–21, 34–35, 76, 83–84, 90–91.
Insurance and judgments, State school systems, current expenses, II: 70–71.
Interest: City school systems, III: 11, 13; Negro public schools, II: 92; State school systems, II: 25, 74–76.
Intermediate and local basic units, administrative staff, II: 29–31.

J

Janitors, engineers, etc., number, public schools, II: 38–39.
Jessen, Carl A., *and others:* Statistics of Public High Schools, 1945–46, V: 1–80.
Junior colleges: Enrollment, I: 6; IV: 5, 10, 14–15; expenditures, IV: 40; financial data, IV: 48–51; growth, I: 21; income, percentage analysis, IV: 26–27; number, IV: 2–3; number and enrollment, I: 25; staff, students, and degrees, IV: 42–47.
Junior high schools: Enrollment, I: 27; II: 5, 36–37, 45, 48–53; instructional staff, I: 27; V: 10, 36–37, 48–53, 76–78; number, I: 27; V: 7–11, 36–37, 48–53, 78.
Junior-senior high schools: Enrollment, I: 27; II: 5, 9, 37, 45, 54–59; instructional staff, I: 27; V: 10, 37, 54–59, 76–78; number, I: 27; V: 8–10, 37, 54–59, 78.

K

Kindergartens: Enrollment, I: 8, 10; III: 3.
Kindergartens and elementary schools, enrollment, I: 6, 26; II: 26–45, 47, 87.

L

Laboratory equipment, furniture, and fixtures, State school systems, expenditures, II: 72–73.
Land-grant colleges and universities, Federal funds, I: 37.
Length of school term, State school systems, I: 16; II: 19, 56, 89–90.
Length of school year, city school systems, III: 5–6, 19–25.
Less-than-college-grade work, enrollment, IV: 15–16.
Librarians: Public high schools, number by sex, V: 18–19, 68–73.
Libraries: Higher institutions, IV: 35, 38–40, 79–84; public, I: 39–40; public high schools, number, V: 20–21; State school systems, II: 68–69.
Library books, expenditures, State school systems, II: 72–73.
Loan funds, higher institutions, IV: 17.
Loans and bond sales, nonrevenue receipts, II: 62–63.
Local basic administrative units, by level of institution, II: 32.
Local governments, current receipts, higher institutions, IV: 21–23.

M

Maintenance of plant: City school systems, III: 11, 13, 22–23, 26–27; State school systems, II: 68–69, 91.
Master's degrees: Historical summary, IV: 41; number, I: 13; IV: 18, 43–45, 47, 52–57.
Men teachers: City school systems, number, III: 8; public high schools, V: 68–80; public schools, II: 27–28, 36, 83, 85.
Mentally deficient, schools for: Expenditures, I: 35.

N

National forest and grazing funds, I: 37.
National Training School for Boys, Federal funds, I: 37.
Negroes: Public high schools, V: 2, 4, 20–21, 28–43, 46–49, 54–65, 78–80; public schools, I: 28–30; II: 14–16, 83–87, 90–92.
Nonallocable items, public-school systems, III: 28–29.
Noncollegiate departments of college, number of teachers, I: 26.
Noneducational expenditures, higher institutions, IV: 36, 38–40, 84–89.
Nonrevenue receipts, State school systems, II: 62–63.
Normal schools and teachers colleges, enrollment, I: 6, 8.

Nursery, kindergarten, and elementary schools, city school systems, III: 19–23.
Nurses, public-school, number, II: 38–39.
Nursing schools: Enrollment, I: 6; number, I: 3.

O

Office of Education: Federal funds, I: 37.
Offices of Education, State and local, personnel, II: 2–3.
Oil and mineral royalties, Federal, I: 37.
One-room school buildings, number in use, II: 23.
One-teacher schools: Decrease, I: 5; enrollment, II: 88; number, I: 16, II: 52, 57.
Operation of plant: City school systems, III: 11, 13, 22–23, 26–27; State school systems, II: 68–69.
Organized research, higher institutions, IV: 34, 38–40, 79–84.
Outlays for new buildings, sites, and new equipment, State school systems, II: 74–75.

P

Panama Canal Zone, Federal funds for public schools, I: 37.
Parochial schools, number of teachers and enrollment, II: 16.
Part-time, Americanization, night, and continuation schools, city school systems, III: 21–23.
Part-time vocational schools, enrollment, I: 38.
Per pupil cost, I: 15; city school systems, I: 35; higher institutions, IV: 21–23; State school systems, II: 76.
Permanent funds and leases of school lands, State school systems, III: 64, 78.
Personnel: City school systems, III: 19–25, 30–73; State and local offices of education, II: 2–3, 33.
Personnel and attendance, public-school systems, III: 30–73.
Philanthropy, higher institutions, IV: 25–28.
Physical plant, higher institutions, IV: 41, 76–84.
Physicians, number, public schools, II: 38–39.
Plant funds, higher institutions, IV: 17, 32, 48–51.
Plant operation and maintenance: Higher institutions, IV: 35, 38–40; public schools for Negroes, expenditures, II: 91.
Population and public-school enrollment, I: 17; State school systems, II: 5–7, 16, 26, 48–49.
Postgraduate work, enrollment of Negro pupils, II: 86.
Principals: City school systems, III: 9–10, 24–25, 28–29, 31–73; State school systems, II: 34–35, 83.
Private and parochial schools: Enrollment, II: 16, 94; number of teachers, II: 93.
Private commercial and business colleges: Enrollment, I: 6; number of teachers, I: 26.
Private gifts and grants, higher institutions, IV: 21–23, 30, 70–75.
Private schools, number, I: 3.
Privately controlled higher institutions, IV: 2–4; 49–51; current expenditures, IV: 38–40; current income, IV: 74–75; enrollments, IV: 10–11, 14–15, 68–69; expenditures, IV: 83–84, 88–89; income for additions to physical plant, IV: 78; staff, IV: 7–8, 45–47, 62–63.
Privately controlled junior colleges, enrollment IV: 5.
Privately controlled schools, enrollment, I: 6.
Professional staff, public high schools, number, V: 17–19.
Property: City school systems, value, III: 23; higher institutions, I: 23.
Property and endowments, value, I: 38.
Public and private schools: Enrollments, I: 5; expenditures, I: 34–37.
Public day schools: Average daily attendance, II: 19; comparative summary of personnel, III: 19–23; enrollment, I: 10; II: 43–47, 50–51, 86; financial data, I: 17; length of school term, II: 56; men teachers, II: 36; salaries of instructional staff, II: 20–21.
Public elementary and secondary schools: Enrollment, II: 41–42; statistical summary, I: 18–19; II: 27–28, 83.
Public full-time day schools, enrollment, II: 48–49.
Public funds: For education, I: 33–34; higher institutions, IV: 25.
Public high schools: Enrollment, I: 27; II: 18, 27–28, 40; V: 6, 9, 40–41, 48, 50–59, 62–65, 79; graduates, V: 66–67; instructional staff, V: 40–41, 48, 50–59, 65, 68–69, 79; number, I: 27; V: 9, 11, 40–41, 48, 50–59, 65–67, 74, 79; statistics, V: 1–80.
Public libraries: Statistics, I: 39–40; under boards of education, State school systems, current expense, II: 68–69.
Public schools: Current expenditures, III: 26–29; enrollment, II: 26; expenditures, I: 74–75; finances, II: 10–14; number, I: 3; II: 57; personnel and attendance data, III: 24–25, 30–73; summer schools, number, III: 15, 17; transportation and custodial employees, II: 38–39; value of property and endowments, I: 38.
Public sources of income, higher institutions, IV: 24–25, 28–30.
Publicly controlled higher institutions: Degrees, IV: 44–45; enrollment, IV: 10, 11, 14–15, 44–45, 66–67; expenditures, IV: 38–40, 81–82, 86–88; financial data, IV: 48–51; income, IV: 72–73, 77–78; instructional staff, IV: 7–8, 44–45, 60–61; number, IV: 2–4.
Publicly controlled junior colleges, enrollment, IV: 5.
Publicly controlled schools, enrollment, I: 6.
Pupil retention, public high schools, V: 15–17.

R

Ratio of enrollment to population and attendance, II: 5–7.
Receipts: From governmental sources, I: 17; higher institutions, I: 23; IV: 17; permanent school funds and leases of school lands, II: 58: State school systems, II: 10, 11, 21–22.
Receipts and balances, city school systems, comparative summary, III: 21–22.
Recreational workers, number, public schools, II: 38–39.
Regional distribution of enrollments, higher institutions, IV: 10–13.
Regular and vocational high schools, enrollment, II: 45.
Regular high schools: Enrollment, II: 5; V: 9, 24–25, 32–33, 42–45; instructional staff, I: 27; V: 10, 32–33, 39, 42–45, 70–71, 74–75, 78; number, I: 27; V: 5, 8, 9–11, 24–25, 32–33, 39, 42–45, 74–75, 78.
Rent, State school systems, current expenses, II: 70–71.
Reorganization, public high schools, V: 6–13.
Reorganized high schools: Enrollment, II: 45; V: 12–13; instructional staff, V: 34–35, 46, 72–78; number, V: 5, 26–27, 34–35, 74–78.
Research, extension, higher institutions, IV: 58–63.
Residence and dining halls, higher institutions, expenditures, IV: 84–89; income, IV: 70–75.
Resident college enrollment, IV: 8–13, 41–47, 52–57.
Resident instruction, higher institutions, IV: 6–8, 34, 38–40, 79–84.
Resident noncollegiate enrollment, IV: 64–69.
Residential schools for exceptional children: Enrollment, I: 6; instructional staff, I: 26; number, I: 3.
Retention rates: Public elementary and secondary schools, I: 30–32; public high schools, V: 15–17.
Retirement funds, State school systems, II: 13–14, 70–71.
Revenue receipts: City school systems, III: 10–11; 21–22; public elementary and secondary school systems, I: 18–19; State school systems, II: 21–22, 27–28, 60–61, 64.
Review of statistics, public high schools, V: 20–21.
Rice, Mabel C., *and others*: Statistics of Public High Schools, 1945–46, V: 1–80.
Rural schools: Enrollment, III: 3–4; farm and nonfarm, school enrollment, I: 7; public high schools, number, enrollment, and instructional staff, V: 30–35.

S

Salaries: Full-time day schools, III: 31–73; instructional staff, I: 17; II: 8–9, 20–21, 65–67, 91; III: 28–29; operation of plant, II: 68–69; public-school systems, III: 28–29; transportation, State school systems, II: 26.
Salary expenditures, supervisors, principals, and teachers, city school systems, III: 10.
Sales and services, higher institutions, IV: 30–31, 70–75.
Sales of property and insurance adjustments, nonrevenue receipts, II: 62–63.
Scholarships, fellowships, and prizes, higher institutions, IV: 84–89.
School attendance, public day schools, III: 56. *See also* Average Daily Attendance.
School bonds, State school systems, II: 79–80.
School buildings, one-room, number in use, II: 23.

School debt and interest payments, State school systems, II: 24.
School finance, schools for Negroes, II: 15–16.
School indebtedness, State school systems, II: 79–80.
School lands, State school systems, value, II: 78.
School lunch program, Federal funds, I: 37.
School property: City school systems, value, III: 14; State school systems, value, I: 17; II: 13, 27–28, 77; value, I: 15, 17–19.
School retention rates, I: 30–32.
School term, average length, I: 15.
School year, city school systems, length, III: 5–6.
Schoolhouses: Number, I: 18–19; State school systems, number, II: 27–28.
Schools, Catholic elementary and secondary, number, II: 95–96.
Schools for Negroes, I: 28–30; State school systems, II: 14–16.
Schools of nursing: Enrollment, I: 6; number, I: 3.
Scientific apparatus, furniture, etc., public high schools, value, V: 20–21.
Secondary grades: Enrollment, II: 26; local basic educational units, II: 32.
Secondary schools: Average daily attendance, II: 53–55; III: 7–8; Catholic, number, II: 95–96; comparative summary, II: 27–28, 83; III: 19–23; enrollment, I: 6, 8, 10, 11, 28; II: 47–49, 86, 87; III: 3–4, 7–8; expenditures, I: 35; number, II: 57, 92; instructional staff, I: 26; II: 34–35, 84; private and parochial, II: 93–94.
Senior high schools: Enrollment, II: 15, 45; V: 9, 38, 62–64, 75–77; instructional staff, I: 27; V: 10, 38, 62–64, 76–78; number, V: 7–11, 62–64, 78.
Separately administered public senior high schools, number, instructional staff, enrollment by grade and race, V: 62–64.
Seventh-grade pupils enrolled in public high schools and in reorganized high schools, V: 12–13.
Short courses, higher institutions, enrollment, IV: 15–16, 64–69.
Sinking funds, city school systems, III: 23.
Sites and buildings, State school systems, expenditures, II: 72–73.
Size of public high schools, V: 4–6.
Sources of income for education, I: 32–34; III: 10–11.
Special types of students, higher institutions, enrollment, IV: 15–16.
Staff, higher institutions, I: 20–22, 30; IV: 6–8, 41–42, 44–45, 52–63.
State and local boards of education, II: 1–3.
